Adverse Weather and Transport Policy

We expect team members to arrive at their working location on time. However, we know you occasionally might have problems travelling due to severe weather conditions or significant problems with transport.

If you are likely to be late, let your manager know as soon as possible. If you are late or you cannot work at all you may be asked to make up the hours and/or take annual or unpaid leave. You may be asked to work from home.

We won't ask you to travel if it is dangerous. We may send you home early to avoid difficult or dangerous travel. If you need to leave work early, please speak with your manager.
